Subject: 2020 Voter education on NY 20th Congressional District

You are invited to expand the education of voters in the NY 20<sup>th</sup> Congressional District by using WOPG and WOPG-FM as a radio station platform. Conceptually we propose 2 vehicles for this effort:

Points of Interest: Each candidate will submit an audio recording summarizing their position on the subjects listed below:

Safety & Security  
Economy  
Health

Discussion of Contrasts: Both candidates would exchange views on significant issues to the nation and local citizens. Mutual agreement on the list of issues and the format of the discussion would be arranged in advance by the candidates.

Please confirm your acceptance of this invitation by Aug. 31, 2020. In the case of no response WOPG may proceed with this voter education effort without that candidate's participation.

God bless
